COMMANDER'S REPORT

Cdr. Carol Johnson, AP

May your day be touched by a bit of Irish luck, brightened by a song in your heart and warmed by the smiles of the people you love.

One of my favorite Irish Sayings

While I write this article and look out my window at all the snow that has fallen in the past few days, I find it hard to believe that we are entering the month of March. As time flies by, the weather will start to get warmer and boaters will begin their preparations to set sail once again.

I am happy to report that Captree continues to thrive, albeit virtually, with all meetings via Zoom. As you all are aware, things have started to look up with the distribution of the Covid-19 vaccines bringing hopes that the pandemic will soon be a thing of the past and we will be able to resume with our activities in the good old-fashioned way.

With nothing keeping America's Boating Club down, the National Annual Meeting was held from February 15th to February 25th, entirely via Zoom. I hope some of you were able to participate in some of the sessions as Zoom allowed attendance without having to travel or the expense of travelling.

A proud moment for Captree during National's Award Ceremony held on February 19th was the presentation of the Governing Board's **Member Emeritus Award** to our very own Past Commander, Len Schiede, JN, for earning his 50th merit mark. Congratulations Len!

Len has been active and working diligently within the Captree Power Squadron for 51 years. He received his Life Membership in 1976 having earned the first 25 of his 51 merit marks. On the education front, Len completed Seamanship in 1973, both Piloting and Advanced Piloting in 1974, and in 1985 completed Junior Navigation. In 2009 he completed Cruise Planning, his third elective. That, combined with AP, earned him his Educational Proficiency.

Besides serving as Commander of Captree from May 1986 to April 1987, Len has worn many hats for our squadron. Currently still active, Len holds the positions of Member-at-Large and Public Relations Officer, both of which he has done for many years.

Past Commander Len Schiede, JN

Captree applauds and thanks P/C Len Schiede, JN, for all he has done and continues to do for the Captree Power Squadron!

Captree's Annual General Membership Meeting has been moved to Wednesday, March 24th so our members can have the opportunity to celebrate St. Patrick's Day on the 17th. If you have not been joining our Zoom meetings in the past, try not to miss this one as Elections are being held. The final Slate of nominees is included in this addition of the **LOG**. Two positions remain without nominees, one on the Nominating Committee and the other on the Auditing Committee. If you are interested in holding either of these positions, please give me a call. Don't forget to mark your calendar for this very important annual meeting. And Snow Birds, you no longer have to miss this meeting now that it's held virtually.

Looking forward to seeing you all very soon. Please stay healthy!

Carol

Lt/C George Tracy, SN Squadron Educational Officer

All is well at the Education Department. As I write this, it is 24 days until Spring. They said that 2020 was the year from hell; 2021 is the year hell froze over.

Speaking of weather, our **Weather Course** is moving right along. This week we will be covering hurricanes, hopefully none of which we will see this year, and we will be ending the course on March 16.

We recently completed our first ever **ABC** Zoom class with 16 successful graduates. We complied with all NASBLA (National Association of State Boating Law Administrators) and USPS on-line course requirements, which includes monitoring of the final exam by computer camera. Teaching via Zoom presented several challenges, but based on the final grades, both the students and instructors overcame them. The class average on the final exam was 90. Interestingly, 90 is about 12 higher than the approximate average age of the four instructors. This tells us two things: one, you can teach old dogs new tricks and two, maybe we need to get some new and less experienced instructors. Seriously though, this course represented the best of a Captree group effort by our instructors: Gene Johnson, Charlie Virga, Bob Silz and me; our marketing and PR folks: Michael Richter, Len Schiede, Garry Biggs, Frank Verderber, and Mike Mercurio; and most important our technical support: Jerry Cappa and Michael Richter.

Another 5-week **ABC** Zoom class will begin on Tuesday, March 30. Please do all you can to make others aware of this course. They can contact Michael Richter at 516-526-8177 to register.

Although Spring is not here yet, we are already thinking about our Fall course offerings. In addition to **ABC**, we are tentatively planning to offer **Boat Handling** beginning in late October. **Boat Handling**, which replaces the old **Seamanship** course, is the first of the advanced grade USPS courses. It has been redesigned into six classes, followed by a final examination.

[Rules of the Road: A Practical Approach](#)
[Confidence in Docking and Undocking: Slow-Speed Maneuvering](#)
[Boating with Confidence: Handling Your Boat Underway](#)
[Anchoring with Assurance: Don't Get Carried Away](#)
[Emergencies on Board: Preparation to Handle Common Problems](#)
[Knots and Line Handling: The Knots You Need to Know](#)

Each of these can also be taken individually as a seminar. At the next few Captree meetings, we will be soliciting our members to ascertain interest in either the entire course or individual seminar(s). They will also be offered to the general public. We can teach this class either in a traditional classroom mode or via Zoom, or possibly a combination of both. Materials are available in the usual print format or as an E-book. For more information on this course, check out the PowerPoint download available on the following link:

<https://www.usps.org/departments/13000/13000-educational-committees/13180/13180-boat-handling>

Teachers have a lot of class!

Membership Chair Report

Lt/C Michael Richter, AP

Each month I plan to "Highlight" a new member, Bridge member or an active squadron member. I am kicking this new endeavor off this month with the results of an interview I had with Captree's newest member, Peter Teresco.

NEW MEMBER SPOTLIGHT

Pete Teresco

My name is Pete Teresco. I live in Massapequa Park. My wife's name is Rossie. I have 2 daughters, Jaelyn (30) and Jessica (27).

My boat's name is *Ra-Seas Choice*. She's a Tiara 3500 Open, 35' with a 40'3" LOA. I've been boating for 5 years.

My favorite boating activities are: *Being out with friends, fishing, rafting up. I keep my boat docked at: Anchorage Yacht Club in Lindenhurst.*

My occupation is: *Accountant.*

Towns I have lived in: *South Ozone Park, Queens and Massapequa Park.*

When I'm out on the water, you will find me here: *Zach's Bay, Tobay Marina, Robert Moses Marina, Coast Guard Cove, Fire Island.*

When I'm NOT on my boat, I'll be doing this: *Hanging with my family and friends.*

My favorite vacation spot is: *The Caribbean – any island will do!*

My favorite drink is: *Miller Light beer or Jameson and Ginger Ale, Mojito*

My favorite food is: *Steak*

My favorite ice cream flavor is: *Rocky Road*

My favorite piece of gear/equipment on my boat is: *Engines – they get me where I want to go!*

The best time I ever had on my boat was the time.....*Every time I am on it!*

I'm hoping to get this out of becoming a member of the Captree power Squadron: *Meeting fellow boaters and going on boating trips with good people.*

I am more of an (check two) _x_ idealist / cynic / _x_ optimist / pessimist

Do you enjoy making plans or being spontaneous? *PLANS*

I can describe myself with these three words: *Family First Always – Family First was the name of my previous boat.*

What achievement are you most proud of?
My children.

MEMBER INVOLVEMENT

Whew, we just came through January and February, both with terrible weather. I hope all that bad weather is behind us. I know March can come in like a lion and go out like a lamb but let us wish for lamb-like weather all month long, as nothing can be worse than what we have been having.

National's Annual Meeting was just held over a two-week period in February starting with opening remarks from the USPS Chief Commander on February 15th and ending with a cocktail party on February 26th, both virtual via Zoom. Between those two events were daily committee meetings and seminars, again all virtual via Zoom. In addition to me, both Mike Richter and Frank Verderber participated in some of those seminars and found them extremely useful. "Virtual via Zoom" seems to be the norm today and maybe into the future.

Before I get into March's events, let me congratulate Captree as it will be celebrating its 70th Anniversary on March 19th. **Congratulations Captree!**

There are two major events taking place in March, one at the District level and one in Captree, and both will be virtual via Zoom. The first event is District's Spring Conference and Change-of-Watch on March 12th and the second is Captree's Annual Meeting on Wednesday, March 24th. What is the Annual meeting all about? It is Captree's elections of new Bridge Officers, Assistant Officers, Executive Committee Members'-at-Large and elected Committee members for Captree's new fiscal year which runs from May 1, 2021 through April 30, 2022.

Included in this edition of the **LOG** is the Slate of nominees who have stepped forward to lead and guide Captree through its next fiscal year. For the first time in a long time, our Commander Carol Johnson will not be continuing as Commander. Carol has served as Captree's Commander for four one-year terms, in addition to stepping forward to lead us after Commander Lea Tracy's passing. **We all extend a big Thank You to Carol !!!!**

As you can see from the Slate of nominees, there remains one position open on the Nominating Committee and one on the Audit Committee. Just yesterday, I expressed my interest in the Nominating Committee position. If anyone is interested in the Audit Committee position, please let our Commander know. Serving on this committee requires auditing the Treasurer's books periodically during the year or, as requested by the Executive Committee.

Attending Captree's Annual meeting via Zoom and casting your vote shows that you care for and have an interest in the future of Captree. Remember, Captree is your squadron; it belongs to each of you. What each of you put into Captree is what you will get out of it. We have several members that have held this organization together in the past and continue working hard year after year to make it grow. They need your help as they cannot do it by themselves.

One of the ways to help is to promote our ABC boating classes, especially since all boaters will have to complete a safe boating class by January 2025. We have another "America's Boating Course" starting on Tuesday, March 31st and running for 5 consecutive weeks. All classes will be virtual via Zoom so there is no driving to and from a classroom in the dark. This is our second ABC class this year. The first class ran for 5 weeks during January and February and went extremely well considering it was our first attempt at teaching the ABC course via Zoom. I have to thank George Tracy for putting it all together, and to Gene Johnson and Mike Richter who assisted George. In addition, Gene & George both served as proctors along with Bob Silz and me. In fact, my assistance was from Florida. Technology is great! Not to be forgotten is Jerry Cappa who worked the Power Point slides and moved the cursor to items that we wanted to highlight.

Sixteen students took the final exam virtually and all passed with a combined grade of 90.6. Logistically, students took the exam at home and then emailed their answer sheets to George for grading. Then, I made their certificates here in Florida and emailed them to Gene Johnson who printed them. He also laminated a small wallet card indicating completion of the ABC course and mailed both the certificate and wallet card to them via the US Post Office. Seems like a lot of steps but it all went smoothly.

Some other events taking place this month include the beginning of Daylight Savings Time on Sunday, March 14th (set your clocks forward one hour Saturday night when you go to bed), St. Patrick's Day on Wednesday, March 17th, and Passover and Palm Sunday on March 27th and 28th.

That's all for this month. Remember, we need you to be part of this organization; take a job and be involved in support of Captree.
