*3-year term expiring April 2024	Lt/C Linda LaDez, S
3-year term expiring April 2025	Peter Teresco, S

* Elected in a prior year

Lt/C Linda LaDez, S
Administrative Officer

Happy Spring to all, and Happy Easter and Happy Passover as well!

It's starting to feel like life might be getting back to normal. John and I thought these days were never going to come. In fact, it's almost time to start getting our boats unwrapped and into the water. Another great boating season is approaching quickly, and we can hardly wait!

Let's kick off the season with the District Annual Memorial Service. There is a change in venue and this year it will be held at Cross of Christ Lutheran Church in Babylon. Captree member Jerry Cappa (RIP) will be among those to be honored so I urge everyone who can attend to do so. The service will be held on Sunday, April 3rd at 4:00 pm. Please refer to the flyer in this **LOG** for the church's address in Babylon.

Next up this month is the District Spring Conference on April 9th at the Melville Marriott. Flyers for the luncheon and Change of Watch (COW) Dinner Dance are included in this **LOG**. The luncheon, meetings, COW and hospitality rooms are a great way to meet members from other squadrons. Unfortunately, Captree will not be hosting a hospitality room this year but that should not prevent you from attending.

Regarding Changes of Watch, Captree's Change of Watch Ceremony will be held on April 20th at 7:30 pm at the Moose Lodge in Lindenhurst. This year, it was decided to change it up a bit and we will not be serving dinner but instead we will be serving an array of desserts including an ice cream sundae bar to make your own sundae. Please come on down and support your new Bridge and thank the "old Bridge" for volunteering their time this past year to make Captree a better squadron. We have a few new members coming aboard and many activities planned so the year ahead looks like a lot of fun and excitement.

We are still looking for suggestions for a theme for our Fall Rendezvous at Cedar Beach Marina on September 17 & 18. All ideas are welcomed for a theme and the associated dinner for that event. Last year's theme was Irish with corned beef & cabbage. Another year it was Thanksgiving where we roasted turkeys. Again, all ideas are welcomed. Let us know what you would like to see. Please contact me at 917-596-6927 with your ideas.

Hope to see you all at April's events and those events planned during the upcoming boating season.

Linda

Lt/C George Tracy, SN Squadron Educational Officer

All is well at the Education Department.

Marine Electrical Systems, taught by Bob Fisher with 9 students, is nearing completion and our second **ABC** class of the year is underway on Zoom.

We plan to offer **Marine Navigation**, previously known as **Piloting**, in the Fall at a yet to be determined date, time, and place (not on Zoom). Kathy and Frank Verderber will be teaching this course.

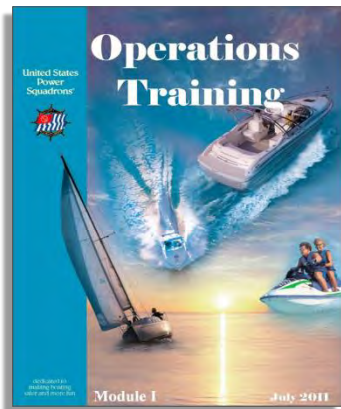

This is my last article as your SEO. Together, we have had an interesting few years. Despite the pandemic, which has done so much damage to our world, our squadron and our educational mission have continued on. This is the result of the innovative thinking of several of our members who taught us to use the Internet and social media to maximize our educational expertise. Jerry Cappa (RIP) played a very major role in helping our department into the digital age. Mike Richter and Mike Mercurio saw to it that our classes were advertised on the Internet through social media. Len Schiede and later Garry Biggs publicized our efforts in print media. Camille and Mike Richter helped me to track enrollments. Most important, our entire instructor cadre has learned how to utilize Zoom as a teaching platform. Without that we would have been dead in the water. Instead, we have increased the number of **ABC** graduates when compared to pre-pandemic years. Frank made sure we had the financial resources we needed. My predecessor, Gene Johnson, the "Grand Enlightener", taught me what I needed to know to do the job and as Assistant SEO continued to do a good portion of the job. He will continue as Assistant SEO to help Mike Richter, our new SEO. Lastly, all the Commanders I served under, Carol, Jack, and of course Lee, always made education priority one, which contributed to the continued success of Captree's Education Department.

I am very encouraged to see Mike Richter taking on the SEO role. He brings youth, enthusiasm, technical expertise, and interpersonal and organizational skills to the position. I see a great future for the department.

Again, thanks to every member of the Captree instructor cadre.

Teachers have a lot of class!

George
Squadron Educational Officer

Operations Training

May 5th and 12th via Zoom

7:30 – 9:00 PM

This course is being conducted by Ann Peltier, SN and Angelo Giovanniello, SN, both from District-3, for all Captree Bridge Officers, Assistants, Executive Committee Members and any interested Captree member.

Join this Zoom course from your computer, tablet, or smartphone, thus enabling you to participate from any location! These 2 class sessions are private; therefore, you will need a **password**, so you must pre-register.

Those interested in attending must pre-register by April 30 so we can send you login and password information prior to the first class. Register by contacting Ann Peltier at apeltier@optonline.net to obtain your login and password. Please identify yourself as a Captree Member in your communication to Ann and cc Frank Verderber at fverderber@optonline.net. No one will be admitted to the Zoom classes without a password.

WELCOME ABOARD

A note from Frank Verderber - Roster Publication Editor

Welcome to our newest Captree Members. All members and Associate members are asked to check their information listed in the Captree Roster last issued in November 2021. If there are any additions or corrections that need to be made, please notify me by email at fverderber@optonline.net or phone at (516-799-1778).

MEMBER INVOLVEMENT

April 2022 has finally arrived. So many things have changed since April 2021. From one year to the next, our world has changed affecting our way of living. However, the one thing that has not changed is our desire to get back out on the water. We have been waiting to get to this month to wake up our boats from their winter sleep and get them ready to enjoy the upcoming boating season with our Captree members, our families, and our friends.

The first activity in April is the annual District 3 Memorial Service, which is held to honor those members of the USPS in the District who have passed this last year. From Captree, Jerry Cappa (RIP) will be honored. This year's service will be held locally at the Cross of Christ Lutheran Church on Deer Park Avenue in Babylon on April 3rd at 4:00 PM. For those who remember Jerry and all that he did for Captree, it would be fitting that you join in and honor him at this service. Refer to the flyer in this **LOG** for additional information.

Next up for April is the District Spring Conference on April 9th at the Melville Marriott. Flyers for the Luncheon and District's Change-of-Watch (COW) Dinner Dance are included in this **LOG**. Join your fellow District members at these activities, the conference meeting, and most important, the various Hospitality rooms sponsored by some of District's squadrons.

The last event in April is Captree's COW Ceremony meeting at the Moose Lodge on Wednesday, April 20th starting at 7:30 PM. For new members, this is where we swear in the new Bridge and newly elected committee members. Come out to show your support for those that will take time out of their busy lives to help guide Captree into the future. As an FYI, many of the other local squadrons show their support for our incoming Bridge Officers and committee members by attending this event as well. There will be desserts and refreshments served for your

enjoyment after the ceremony as you socialize with your fellow USPS members. Remember this is free and will cost you nothing except your time.

Let me end with a short bit on the friendships one can develop by "getting involved". One of the most important factors in my membership in the USPS and in Captree has been making friends with those that I have had the pleasure and opportunity to meet over the years. My wife and I had our lives change by meeting new friends at Captree starting the first day we joined. Some of those friends became lifetime friends who we traveled with to different states and countries. It is difficult to estimate the number of friends we have made, but that number is huge. Over the years we found that just going to dinner with them and having fun became something special. One thing I noticed over the years was that a difference of age did not matter at Captree. Most of us joined because we were boaters and at the time, we never dreamed that some of these new boating acquaintances would become lifetime friends, regardless of their age. As members of Captree you realize that boating knowledge is important however, friendships are just as important.

Those of us that joined and got involved in Captree experienced both making friends and enjoying Captree activities. Our education is designed to make us better boaters while our activities have made us closer friends. That is evident with the pictures included in this **LOG**. Start this year supporting our new Bridge and try to be more involved thereby expanding your network of friends. I can guarantee that it's well worth it!

Stay safe and stay healthy!
