COMMANDER'S REPORT

Cdr. Carol Johnson, AP

It is June and more and more boats can be seen along the Long Island Coast. Soon we'll be able to meet upon the waters and bask in the sun and surf of summer.

Unfortunately, due to continued "physical distancing" restrictions, District 3 has decided to cancel two of their upcoming events, the Lauren Kristy Paddlewheel cruise scheduled for June 14th and Rendezvous East in Greenport planned for the end of July. Although quite a disappointment, the health and well-being of our members and guests are of the utmost importance.

Please take a look at the page following this report which lists upcoming Captree meetings and events and watch your emails for updates as we move into the month of June.

On May 20th, we held our virtual Change-of-Watch via Zoom which was well attended by District and Captree members. Thank you to all who participated; it was a huge success! Coordinating the Change-of-Watch for Captree were Michael Richter, Frank Verderber, Camille Mercurio and me.

Following my swearing in as Captree's Commander for 2020-21, it was my honor and pleasure to present the "Camille D. Mercurio Member of Distinction Award" for 2019-20 to Jack Stange "in recognition and gratitude for his exemplary service and selfless acts of time and dedication to the Captree Power Squadron". And, may I add, welcome to the Bridge, Jack!

For those of you who were unable to attend, I have included below some excerpts from our Change-of-Watch. They each hold special messages for all of us during this current situation.

INVOCATION by P/C Camille Mercurio, S: Almighty God our father, we ask that your light rise during this time to assure us that you are present with us and that your powerful closeness to us transforms our fear into hope. May we all join together in spreading a "contagion" of hope "from heart to heart". Give our newly elected leaders wisdom of heart in their decision-making for the common good of the Captree Power Squadron and may we achieve the goals we are striving for each day. Help us to preserve our members' dignity by making us your selfless servants so that we may continue to serve the needs and mission of the United States Power Squadrons. May a new fire of love, energy and resilience burn within our first responders' hearts so that they may continue to be strong and diligent in their efforts to keep us all safe and healthy during this unprecedented time. Amen

COMMANDER'S ADDRESS: As we all know, for the first time in more than a century, we are currently in the throes of a worldwide pandemic. We have all had to adjust our ways of life in the way we work, educate our youth, shop, and generally conduct our life. Social distancing has been mandated throughout the world which in years past could have put a halt to organizations, including the United States Power Squadrons. Necessity being the mother of invention, and with our eagerness to see our organization continue to thrive, we have turned to technology. As I stated in my last report, the term "social distancing" is truly not accurate. We are physically distancing. We have learned to utilize computerized forums to keep our organization on track. Our Bridge and Executive Committee

COMMANDER'S REPORT

Cdr. Carol Johnson, AP

Continued from previous page

continue to meet “virtually” to discuss the business of the Squadron and to come up with new ways to get things done. Today, we have proved to ourselves that business can continue with this successful Change-of- Watch Ceremony.

Your Bridge will continue to work on new ways to interact with our members while planning for re-engagement once the orders to stay in place have been lifted. Our prayers are with you and your families for continued good health and healing. Our heartfelt appreciation to all essential workers and especially healthcare providers and first responders. Hope to see you on the water soon.

BENEDICTION by P/C Camille Mercurio, S: When this is over, help us to keep mindful of all that has transpired recently and remember that we should never again take for granted the hug of a friend, the handshake of a stranger, idle conversations with neighbors, a crowded theater, a Friday night out, a routine checkup, sharing a meal at a local restaurant, the rush to school and work each morning, coffee with a friend, the roar of the crowd at a sports arena, a long drawn-out meeting, each deep breath we take, or a boring day of life itself. When this ends, may we find that we have become more like the people we wanted to be, those we were called to be, and those we hoped to be. Guide us to live each day better for each other because of the worst. Bless all of us to go in health, happiness and with support and thankfulness for all who have worked diligently throughout this pandemic for the health and well-being of us all. Amen

I will keep you all up to date on future Captree meetings and events as we move into the month of June.

Be safe, stay healthy and keep busy. Prayers to all!

Carol

Good and Welfare

Our sincere sympathy to:

Kathy LaSala and family on the recent passing of life member Tony LaSala. Tony was a member for many years and also the owner of LaSala Boatyard where many members kept their boats.

Our best get well wishes to:

Gene Johnson, who was hospitalized and is now in rehab to regain some strength, and Carol and Gene Johnson's son-in-law, Jim Ness, who was recently moved to rehab after battling COVID-19 for over two months.

Happy Father's Day to all the Dads!

Our thoughts and prayers are with you all. Please help keep us informed of any illnesses, deaths or happy moments of our members and their family.

CAPTREE

HISTORY

Captree LOG
January 2012

Happy New Year !!! The holidays are over, we've all survived and I couldn't be happier; all three Captree Holiday Events were a huge success!

Although change is always good, there's a bit of apprehension whenever you're the person making the changes. Camille and I held our breaths before and during our parties, but it was all unnecessary; the Captree Membership gave all the events a thumbs up.

As always, the first event of the season was the Ladies' Holiday Luncheon. Commander Camille took the reins on this one, changing the day to a Sunday. The Luncheon was to be a brunch at the Parkwood Café, a little bit different and something new. Our membership was happy with the venue and all was set to go. Suddenly, a little birdie whispered a rumor in my ear. The word was that the Parkwood Café was closing for renovations. In a slight panic I notified Camille and she called and the closing was confirmed. Much thanks to the little bird. Luckily Camille had an idea and quickly made arrangements to shift the Luncheon to the Dockside Café.

As it turned out it was all for the best. The Ladies' Holiday Luncheon was a huge success. Although I was vacationing in Florida, the word was brought to me by Past Commander Margie Ross who was up in NY and able to attend the luncheon. Margie was thrilled with the luncheon. The food at the Dockside was excellent, the tables were beautifully decorated with Poinsettias; there

Lt/C Linda LaDez, S
Administrative Officer

were favors, door prizes and the grab bag. Everyone had a wonderful time.

The following week was a bit busier for Captree. On Saturday, the littlest members of our Captree family were treated to a bowling party at Babylon Bowl. Lt/C Lea Tracy wowed the crowd with games of bowling, a decorated party room, pizza, goodies and prizes. As always, Santa made a special appearance thrilling all the children distributing presents and candy canes. The smiling faces of the children said it all.

Sunday I landed at Kennedy and went into AO mode. The phone was ringing, last minute things to do, and, of course, I had to dress, put on my dancing shoes and prepare to party. And, Party we did!

The Blue Lagoon was a great venue for this event. The party room was spacious, the dance floor inviting and the food was excellent. All the elements for a successful party were there, and boy was it ever a success. (Thanks to Barbara Pozun the donation of the centerpieces.)

My son, Christopher, donated his DJ services for the night and what a proud Mom I am. He was perfect (I should have known). The dance floor was buzzing, the dinner music enjoyable and he kept the night moving. It couldn't have been better.

*"Only the guy who isn't rowing
Has time to rock the boat."*

Linda

In honor of our 69th year, this article is re-published from the January 2012 issue of the **Captree LOG**. Each month we will bring to you articles or stories, or in some cases recipes, from past **Captree LOGs**.

This month we go back 8 years to an article from the January 2012 **CAPTREE LOG**. No social distancing back then. Still doing an amazing job Linda!

WELCOME ABOARD

A note from Frank Verderber - Roster Publication Editor

Welcome to our newest Captree Members and our 2020 Associate Members.
All are asked to check their information listed in the Roster issued in September of 2019. If there are any additions or corrections that need to be made, please notify me by email at fvderber@optonline.net or phone (516-799-1778).

MEMBER INVOLVEMENT

Here we are already into June, the summer of 2020, and a new boating season. This will be a vastly different summer from other years due to the COVID-19 virus which has changed everything all over the world. Here on Long Island it has changed most of our individual lives and activities. It has also changed Captree's and District's planned activities for June and future months. To date, District's Paddlewheel Boat Trip on June 14th and its Rendezvous East on July 31st & August 1st have been cancelled.

However, despite the Covid-19 restrictions, a few important events were conducted in May, although through virtual platforms rather than in person. First, Captree conducted its monthly Executive Committee meeting on May 6th through "Zoom" and then District conducted its quarterly District Council meeting on the 15th through "Go To Meeting". Then on May 20th, Captree conducted its 69th annual Change-of-Watch, again through "Zoom". All were great accomplishments!

Captree's Secretary Michael Richter coordinated invites and hosted this 69th COW meeting and the agenda was prepared by our Treasurer Frank Verderber. The two make a great team. Once I logged in, I was ready to follow the agenda step by step. For those that did not Zoom into the meeting, Carol Johnson, our outgoing Commander, as well as our incoming Commander, started the meeting a 7:35 PM with a welcome to all participating, some opening remarks and noting up front that this "Virtual" meeting was being held in accordance with the directive from United States Power Squadrons' Chief Commander Mary Paige Abbott, SN-IN to conduct business by the best available means while preserving the safety and security of USPS members.

This was followed by an invocation by Captree Past Commander Camille Mercurio and the Pledge of Allegiance. Carol then acknowledged the District 3 Bridge Officers and other District members participating in the meeting. These included District Commander Elizabeth Mandara, Executive Officer

George Hoffman, Educational Officer Bob Bernstein, Administrative Officer John Yeamans, Secretary Susan Beck and Treasurer Sally Couluris. In addition were Junior Past District Commander Thomas Pilek, District Assistant Secretary Lucy Jackson, District Flag Lt. Sean O'Donohoe, and District Advisor Ann Peltier. Past Captree Commanders and Captree's outgoing Bridge Officers were then introduced.

The rest of the meeting included the installation of Captree's new Commander, Bridge Officers, Assistant Bridge Officers, and elected committee members for 2020-21 by District Commander Betsy Mandara.

Formalities such as presenting Flags of Office to all Officers and Assistants and the Squadron Charter, Gavel, and District 3 pin to Carol will be conducted at a later date. In her closing remarks as incoming Commander, Carol announced the winner of this year's "Camille Mercurio Member of Distinction Award" for their dedication and hard work towards achieving Captree's goals and mission. This year's winner was Jack Stange. Thank you, Jack for your contributions to Captree!

This COW "Zoom" meeting was a well-organized, with short, to the point speeches making this a fast-moving meeting having been completed by 8:00 PM.

Above, I mentioned that Carol Johnson will be our Commander for another year. What I failed to mention is that Carol served as Commander of Captree for two years from 2013 to 2015, then again for 2019 to 2020 and now 2020 to 2021. Having been a Commander a while back, I know the time and effort it takes to do this job correctly. For Carol to continue to accept this position to lead Captree is incredible. **Thank you,** Carol for all you have done to keep Captree moving forward to achieve its goals.

Remember, Sunday, June 21st is the first day of Summer and also Father's Day.

Charlie Virga
